ACRSI ACTIVITIES

WE DID IT AGAIN!

ACRSI received the BEST SECTION Award ,
for the past 4 years

PRESIDENTIAL MESSAGE

As I pen the last message for the newsletter as the president of this august organization, mixed feelings of accomplishment and helplessness surround me. My entire tenure of two years as president of this organization has been shadowed by the pandemic crippling my planned activities during the period. All major events of the association had to be cancelled in the physical form, where we all could have shaken hands, hugged a few friends and shared some happy moments. This did not happen and I was just helpless. Nevertheless, the world has changed making virtual world the new normal now and for future. It would probably be a part of our life always where most meetings would be hybrid if not full virtual after the pandemic is over and the curbs lifted. Looking at this I feel accomplished because we lost no opportunities to do all the planned events, in fact even many others “virtually”. A click of a button reached us globally and we could involve the biggest names in coloproctology in our programs. The ACRSI is also now a known name globally and many international friends have applauded us for the high quality of the scientific contents of our programs thereby enhancing our country's image in the field of colorectal surgery.

**DR NIRANJANA AGARWAL
(PRESIDENT)**

The next international event will be a full-day conference on anal fistula in collaboration with the ISUCRS. Our annual ACRSICON 2021 planned in Jaipur for October this year in collaboration with ECTA society remains on as of now and we do hope that God will be kind soon and allows us to see each other, face to face, heart to heart. I am happy to inform you that we have upgraded our website to an entirely new brand and much more information and updates can be handled there itself. The new EC team needs to be elected soon under the leadership of my close friend Dr Nisar Chowdri and I am sure they will not only carry the work started by us but improvise further. The biggest challenge to get Mch or DNB colorectal surgery recognized will hopefully get fulfilled by Dr Nisar. I take this opportunity to compliment the chief Editor of our Indian journal of coloproctology Dr Brij Bhushan Agarwal for his untiring and commendable efforts in managing the activities of our Journal. Before I complete my term. two more valuable gifts “Practice parameters” of common colorectal ailments and the “ACRSI textbook of colorectal Surgery” will be on your cloud. I would fail in my duty if I do not acknowledge the support and efforts put in by my academic convenors Dr. Chetan Kantharia and Dr. Shalu Gupta as well as the convenors of the ACRSICON 2020 Dr Pradeep Sharma, Dr. Prajesh Bhuta and Hemorrhoidcon Dr. Ashok Ladha for the wonderful shows delivered by them. I do not have enough words to thank

PRESIDENTIAL MESSAGE

Dr. Mayilvaganan who finishes his term as fellowship chairman for all that he has done for the organization over the last few decades. In fact, he has been one of the faces of the organization in the southern part of the country. I admit God was very kind to me and gave me the best members in my executive committee who all worked dedicatedly for the cause of society and they deserve a huge cheer from all of you for bagging the "BEST SECTION AWARD OF ASI " for the fourth consecutive year . My parting message would be incomplete without the mention of my Hon. secretary Dr. Kushal Mital and my mentor Dr. Parvez Sheikh. Irrespective of who the president is and who would be garlanded, these two individuals stood rock solid behind me and supported me at every juncture and any activity planned . Both are elder to me in age and proved how junior colleagues are looked after as younger brothers in medical organization. ACRSI has given me all that I am today and I assure its membership, I will be with it always Thanking you.

HON. SECRETARY'S MESSAGE

Dear Colleagues,

Covid 19 had us bound in shackles, nevertheless we managed to fly. Webinars was a source of inspiration to many. All topic were covered. We had a tie up with ISUCRS for 5 Webinars.

Virtual ACRSICON 2020 was held on 10-11 October 2020 with Orations, Keynote lectures, Symposium, Panel discussions, Debates, & Master Videos with Academic competitive presentations as Paper, Video or E-poster

In Dec 2020 ACRSI won the BEST SECTION AWARD 4th year in a row from ASI. Cheers to all of you for making it possible.

DR KUSHAL MITAL
HON. SECRETARY ACRSI
(MUMBAI)

HON. SECRETARY'S MESSAGE

WEBINAR HOSTED IN 2020 JUNE TO DEC

1. 07.06.2020 Writing Scientific Research Article with ISUCRS
2. 28.06.2020 Complication in Colon & Rectal Surgery with ISUCRS
3. 05.07.2020 How I do it Video North Zone
4. 12.07.2020 Colorectal Emergencies with ISUCRS
5. 26.07.2020 Rectal Cancer Surgery is Changing with ISUCRS
6. 01.08.2020 Constipation, ODS, Pelvic floor with ISUCRS
7. 09.08.2020 Coloproctology Central Zone
8. 16.08.2020 Haemorrhoids Master meet
9. 23.08.2020 How I do it Video presentation, East Zone Meet
10. 05.12.2020 Advanced Stoma Management

Jan 2021 we started with HEMORRHOIDCON, single disease conference. It had a tremendous response. From April 2-4, we conducted a Virtual ACRSI Instructional Course, it had high registration rate. The course. It was best course yet as we could manage the best speakers in the field.

The FACRSI exam will be conducted preconference ACRSICON 2021, slated for Jaipur 26-27 October, followed by conference 28-31 October, IF NOT RESTRICTIONS.

This is election year, those who have become members before March 31 2021 are eligible to vote. In July 2021 we plan to hold a one day Fistula Conference .

We will continue with the Webinars and plan to start Live Interactive Surgery workshops in the coming months.

We have had 85 new members to ACRSI. Welcome to all of you.

ACRSI is for you. Interact with us if you want to participate, write article for our Indian Journal of Colo-Rectal Surgery. Be proactive.

INDIAN JOURNAL OF COLO-RECTAL SURGERY

EDITOR'S MESSAGE

The Association of Surgeons of India, having been adjudged as its Best Section for last few years. Indian journal of Colo-Rectal Surgery is its official Journal being published since 2018. Under the leadership of our President Dr. Niranjana Agarwal, Secretary Dr. Kushal Mittal & treasurer Dr. Roy V. Patankar, the Journal has been published regularly for last two years. We have been able to get original articles both from India & abroad. Our leadership has continuously encouraged the membership & surgical fraternity to contribute to the journal by submitting their experience as Original Articles, 'How I do it', Review Articles & Case reports. The Journal has been received well & has generated an enhanced interest leading to submission regularly. We continue to work for improvement in quality of articles & to also enhance visibility of the journal with the help of International leaders in Colo-Rectal surgery. Our leadership is working tirelessly to enhance the regularity & quality by providing support of an extended Editorial team.

The journal has free online access & can be accessed at <http://www.ijcrsonweb.org/>. Members of our section & our parent body are request to share their work & submit the same for publication at <http://www.ijcrsonweb.org/contributors.asp>

DR BRIJ AGARWAL
EDITOR- IJCP
(DELHI)

FELLOWSHIP BOARD CONVENOR

Dear ACRSI members,
As you all know Covid pandemic has created a havoc in our country since Jan 2020. During the month of March & April 2020 Government of India had announced a lockdown in the wake of rising no of cases. As a result the Instructional Course & the Fellowship Examination which was to be held in Jabalpur IN April 2021 had to be postponed. The instructional Course was held on 1-2 April 2021. The candidates who had registered were refunded as per their request whereas some wished to carry forward their course fees to 2021. Subsequently due to increasing no of Covid infections, even the ACRSICON had to be converted to Virtual ACRSICON. This was held on October 10-11, 2020. This was a huge success as International faculties National faculties participated through the virtual platform. It was attended by a record more than 6000 delegates. There was an award session for Papers, Videos and Posters which got a huge response.

DR PRADEEP SHARMA
FACRSI BOARD CONVENOR

FACRSI EXAMINATION

- The FACRSI Examination will be conducted 26-27 October 2021 at SMS Medical College Jaipur, Rajasthan.
- Provided COVID condition allow.

2- 4 APRIL 2021

REPORT for 24 ACRSI VIRTUAL INSTRUCTIONAL COURSE

ACRSI conducted their 24th ACRSI Instructional Course, Virtual from 2-4 April 2021. The three-day course was conducted from 2 pm to 10 pm daily. The curriculum was spread over 20 symposiums and 73 lectures. Total time taken was 24 hours. The delegate who had enrolled were eligible for FACRSI exams provided they had attended the ACRSICON in the last 3 years.

A total of 188 registration, including 73 faculty including Internal faculty. There were 8 moderators to oversee the sessions with 24 esteemed Chairpersons. It was our best instructional course till date. The sessions were on time. Questions from chat were either answered live or in the chat box. We had 7 of former ACRSI Presidents, current President and President elect. Virtual Instructional Course had an overwhelming response from the delegates.

ACRSI SOCIAL SERVICE

WORLD PILES DAY

RADIO

MESSAGE TO GENERAL PUBLIC

**RADIO FM 93.5. FROM 16 TO 20 NOVEMBER 2020
24 SURGEON DISPELLING THE MYTHS AROUND
PILES THROUGHOUT INDIA.**

Answering the most Frequently Asked Questions:

1. What are piles and what are the common symptoms of piles?
2. If you have bleeding or pain in the rectum, does it mean that you have piles?
3. What to do when you see blood in your stools? Should you visit doctor as soon as you notice blood in your stools?
4. Is it important to visit a specialist to diagnose & treat Piles or can I visit a local GP for treatment?
5. If I visit a surgeon, then he/ she will recommend surgery - Does every case of piles require surgery?
6. I have been told by my family member to have only boiled food because I have Piles. I have also been advised to stop non-veg food. Is it right?
7. What can I do to prevent Piles? Do's and Don'ts for patients with Piles (this will cover diet & toilet training)
8. Does Piles lead to cancer?
9. Why should you not treat Piles as a taboo?
10. Can you live a normal life with Piles?
